

Hello,

In March of 2023, Healthfirst Network announced that its Marshfield location would start offering Sexual Assault Nurse Examiner (SANE) services beginning in June of 2023. In recognition of the important role that you have working with sexual assault survivors in the community, you are invited to an open house at 2PM on Tuesday, May 16, 2023. The open house is at Healthfirst's Marshfield location, 104 Northridge St, Marshfield, WI 54449. Refreshments and appetizers will be served at 2:15, shortly after a few words from Healthfirst CEO, Jessica Scharfenberg. Healthfirst staff will then be available to provide information about the organization, give tours of the clinic, and answer questions about the expansion into SANE services.

Healthfirst, is a network of 10 reproductive health clinics which offer low-to-no cost services including cancer screenings, wellness exams, STI testing and treatment, and much more. Healthfirst Network's mission includes providing quality, confidential reproductive health care, education and nutrition counseling that is affordable and accessible through direct care and strategic partnerships. Healthfirst's core values include, providing confidential services, treating all with respect and dignity; empowering through education; maintaining honesty and integrity; being kind, caring & empathetic; and committing to innovative, high-quality, evidence-based services.

We hope to see you at Healthfirst's open house and are looking forward to answering any questions you may have about SANE Services.

Be well,

Ben Rauen

Marketing and Business Development Specialist – Healthfirst Network
